

# Spatole

Filling knife

**Una spatola è forse lo strumento più semplice agli occhi di molti. E come sempre nelle cose semplici, sono i dettagli che fanno la differenza. Per questo una spatola marchiata "Ancora", porta con se molteplici lavorazioni meticolose che ne garantiscono corretta flessibilità, durabilità ed ergonomia declinate in oltre 40 modelli interamente prodotti in Italia.**

Most of us may think that a filling knife is perhaps the simplest tool. And as we all know, when it comes to simple things, details are all that matter. "Ancora" filling knife surely convey multiple scrupulous processes that ensure the best versatility, durability and ergonomics, with over 40 models entirely made in Italy.
